

Certificate

EC Certificate of Factory Production Control

Certificate No. 0086 - CPD - 515164

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive – CPD), as amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

Aggregates

characterised as

EN 13043 - Aggregates for bituminous mixtures and surface treatments for roads, airfields and other trafficked areas

and produced by

**Leiths (Scotland) Limited,
Rigifa, Cove, Aberdeen, AB12 3LR**

in the factories located at

**Edston Quarry, Edston Farm, Peebles, Lothian & Borders, Edinburgh, EH45 8NW
Kishorn Quarry, Kishorn Industrial Area, Strathcarron, Highland Region, IV54 8XF**

are submitted by the manufacturer to initial type testing of the products and factory production control, and that the approved body BSI has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised European Standard

EN 13043:2002

and in accordance with the procedures given, were applied.

For and on behalf of the British Standards Institution, a Notified Body for the above Directive. Notified Body Number 0086.

David W. Ford, Executive Director, Healthcare and Testing Services

Date 21 July 2010

This certificate first issued 7 March 2007

raising standards worldwide™

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
